Terms and Conditions

Back to Netball is a sessional programme of netball providing a gentle reintroduction to the sport. Payment is per session and is non-refundable.

Before taking part in a Back to Netball session, participants are required to complete the Registration Form, which will remain valid for all or any of the sessions in the period over which this Back to Netball programme is run.

Sessions will be run at the location and times advertised. England Netball reserves the right to change the location or time of the session and will notify participants in advance, where they have consent to contact that person. In addition, changes will be notified on the England Netball website www.Englandnetball.co.uk/my-game/Back-to-Netball.

Participants are asked to read the Code of Conduct for Players and are bound by the standards set out therein, whilst taking part in the sessions. Breach of the Code may result in removal from the session/programme and affiliated members may also be subject to Disciplinary Procedures.

Participants are required to ensure that they do not pose any potential risk to fellow participants and the England Netball facilitator will check for any potential hazards and advise on suitable adaptations before a participant is able to partake in the sessions. England Netball reserves the right to refuse a persons' participation if they are unable or unwilling to make the advised adjustments.

In particular, participants are asked to ensure that nails are short and smooth; jewellery, save for a wedding ring or a medical alert bracelet, is removed. Wedding rings or medical alert bracelets should be covered and securely fastened. Head coverings should be unembellished and secured to ensure there is no potential hazard.

Please declare any medical conditions and any adaptations you may need to cater for this.

All participants are asked to participate in the session in a safe and sporting manner and with due regard for the safety of their fellow participants.

For England Netball use only
