

**\*All teams were put into a hat and drawn at random with the exception of those clubs who entered multiple teams.\***

### **League Rules:**

All players MUST be affiliated to England Netball to play other than this there are no other rules with borrowing of players.

Fees of £32 must be paid and cleared by the Thursday of the week you are due to take to court. This is to ensure we can check these Thursday evening.

All results are to be sent to the what's app group set up by Jess (07549265013) so that we can update the table. We ask that these be sent by Sunday evening to ensure a speedy update for your teams.

Point format will follow that of the WYCNA league as per your handbook.

Kit doesn't have to be the same as long as bibs are worn, otherwise it needs to be the same colour so as to not cause any confusion.

You are responsible for booking and paying your own umpire as per WYCNA, use the handbook to help if needed.

If you are unable to fulfil a fixture you are to inform us at your earliest opportunity. The other team will be awarded a 20-0 win and a double match fee (£64) will be applicable.
